

Raise The Roof

Tracey Thorn

What you do
Raise the roof
Everybody
Wants you to And you do it with
And you do it with
And you do it with
And you do it with love When you do
That thing you do
Love comes through
You raise the roof Put the music on
Put the music on
Put the music on
They all wanna dance Can do anything?
If you dare
Don't mean a thing
Unless you care And you do it with
And you do it with
And you do it with
And you do it with love All those years I wasted
Sitting on my own
Think what I could have tasted
If I'd only known Why did I wait?
Why did I wait? Don't tell me it's too late
Why did I wait?
Don't tell me it's too late So open up
Before you start
Open hand
Open heart Bring it on
Bring it on
Bring it on Bring it on home
Bring it on home
Bring it on home Why did I wait?
Why did I wait? Don't tell me it's too late
Don't tell me it's too late
Don't tell me it's too late
Don't tell me it's too late
Don't tell me it's too late
