

Golgota

Ivory Moon

My time is gone, it's the last time
You can eat and drink with me
One of you will betray me
His name will be erased from this world
Jesus, what (do) you say?
Not one of us let you die!
Jesus, what (do) you think - perhaps I will do this?
Judas, you say it
Die - this Jesus has got to die
'Cause our people hear what he says
He moves up the crown against the Roman Power
We don't need another messiah
We don't need another prophet
Disciples - eat this bread, it is my body
Disciples - drink this wine, it is my blood
Every time you will make all this
Remember of my words
Every time you'll remember me
Make this rite in my name
Every time, Jesus Christ
Since you are here, take a sense
Your word is a benediction of the sky
In your eyes, Jesus Christ
I can feel light of eternal life
I've found my place
And now I (want to) stay with you
I'll follow you in every trouble
I'll give you all my life
I believe that your love will save the world
I'm alone, everyone slept
In the garden of Gethsemane
Father, I pray you to take away
This poison from me - don't let me die
(But) don't make my will, but Yours
Judas, you selled me with a kiss
Now your life Jesus, is in my hands
(Look) my Guard is coming for you
That's the end of your crazy dream
And all your (sick) life

'Cause we don't need another messiah
We don't need another prophet
No! Now what I done!
 Forgive me Jesus!
Forgive me! I didn't want this! (Bless me!)

 Miracle Man
 I'm waiting for you
 People talk of you
 As the King of the Jews
 Give me your power
 Help to chase away
 The Romans from my land
 And I will make you a rich man
It's time for Jesus Christ to be a star!
It's time for Jesus Christ to be a star!

 Why do you stare?
 Why don't you reply?
 Poor spiritual man
 You won't agree to my supply
 Keep out of sight
 I've no time to waste with you
 Call the Roman Guard
 We have the King of Jews!

The bluff of Jesus Christ is out of time!
The bluff of Jesus Christ is out of time!

 Welcome Jesus
 Your fame precedes you
 Your life is in my hands
 I can destroy you
 (I know) you are innocent
 But I can't change your fate
 So Jesus, (give me) I need
 To save your life
 A voice inside me says
 To let you die
 Crucify! Crucify!
 Save Barabbas'life!
 Crucify! Crucify!
 This Jesus must die!
 Crucify! Crucify!
 Save Barabbas'life!
 Crucify! Crucify!
 This Jesus must die!
 Barabba might be the future
 Against the Roman Power!

Crucify! Crucify!
Save Barabbas'life!
Crucify! Crucify!
This Jesus must die!
Jesus is an honest man
His miracles have saved many men
Crucify! Crucify!
Save Barabbas'life!
Crucify! Crucify!
This Jesus must die!
