Wasted White Boys

W.a.s.p.

Give me a line and pour me the wine, I'll do The Devil's daughter
Fill my glass and kick your ass, ooo I'll do it anytime
Ohh, I don't want no holy rollers on your knees
There's no time to waste tonight
Don't hold me rollers, no 'cause I don't need
'Cause I might die tonightWell I'm a wasted white
White boys better run for you lives
It's do or die, die, I'll tell you why, ohh
Wasted white boys ride free and
I'd rather die than get civilized
Ohh let me ride, oooCome down to blow it with a bloody nose, ohh wasted and out of order
Ohh demon swill with a thirst to kill, ohh I'll do it everytime
Oh I don't want no holy rollers on your knees
There's no time to waste tonight
Well no don't hold me rollers
I don't need 'cause I might die tonightWell I'm a wasted white
White boys better run for you lives
It's do or die, die, I'll tell you why, ohh
Wasted white boys ride free and
I'd rather die than get civilized
Ohh let me ride, oooOoo wasted boys feeling no pain
Howl at the moon in the night, ooo
Just give me shooters and that demon Cocaine
I'm the Devil alrightWell I'm a wasted white
White boys better run for you lives
It's do or die, die, I'll tell you why, ohh
Wasted white boys ride free and
I'd rather die than get civilized
Ohh let me ride, ooo
