

Remind Me to Smile (Live 81)

Gary Numan

We'll take a taxi to the show
We could report by phone
We could remind ourselves that
We must laughReconsider: 'fame'
I need new reasons
This is detention it's not fun at all[Chorus]
Remind me to smile
You know, 'the old friends' line
It gets so I feel like
I'm in this cold, glass, cageI've got the horrors
Check, over my shoulder
I punch the air and fight but
No-one's thereYou you oh no
Old scars don't show
We fall you see
Crawl crawl in love
I dive so clean
Young things don't scream
Toys toys so far
Boys boys you are[Chorus]Get off the car
Get off the phone
Move from my window, leave me aloneKeep your revivals
Keep your conventions
Keep all your fantasies that's all we are
