Hypnotized

Ashley Ballard

(Look into my eyes)
(Your feeling sleepy)
(When I click my fingers)
(You'll wake up and not remember a thing)
(Your hypnotized)
(O-oh)
Pray for a good man each and everyday
Not just any guy who has nothing to say
Give me your love, a love I can feel
Who keeps it real
Don't wanna replay this game
You can run but you can't hide
Hypnotized, hypnotized
Every time you pass me by
You can't deny eyes don't lie
I can see it in your eyes
Hypnotized, hypnotized
Can't run, can't hide
Realized that you're hypnotized
(Spanish)... means to express
Gotta learn how to speak 'cause you're leaving me stressed
When I talk to you, no it's not a crime
When you look at me, you see a girl in her bribe

(Oh),(My door)
Ain't gonna replay this game
You can run but you can't hide
Hypnotized, hypnotized
Every time you pass me by
You can't deny eyes don't lie
I can see it in your eyes
Hypnotized, hypnotized
Can't run, can't hide
Realized that you're hypnotized
Now I gotta good man
Everyday, not just any guy who has nothing to say, yeah
(Oh)
(Keeps it real)
(Oh)

Ain't gonna replay this game
You can run but you can't hide
Hypnotized, hypnotized
Every time you pass me by
You can't deny eyes don't lie
I can see it in your eyes
Hypnotized, hypnotized
Can't run, can't hide
Realized that you're hypnotized
