

Falling

Shai

Infiltrate them
Disintegrate them
Terminate my fire
Create your own desire Don't let them drag you under
Towards their paradise
I am the fallen angel
The only one am I Be my dream this night
Hide me from daylight
Shelter me all times
Hide me from the light Help me free you
Save yourselves from their eyes
See what holds you
And controls you Infiltrate them
Disintegrate them
Terminate my fire
Create your own desire And now the stage is falling
Towards their own demise
Don't look to me for answers
To questions I despise Be my dream this night
Hide me from daylight
Shelter me all times
Hide me from the lines Falling down
Crawling down Deeper into the surreal landscape
Interlocking this dream reality
Remind me to remember to forget
My vast collection of memories But they will paralyze you
To hide the things they do
The scene is set for freedom
So slip away from me Be my dream this night
Hide me from daylight
Shelter me all times
Hide me from the lines Falling down
I'm crawling down
Falling down
I'm crawling down
Falling down
I'm crawling down
