Wet Me

Ray J

Kinda know what you want
You constantly seek me(yeah)
Tounging up and down on you (yeah yeah yeah)
It's time to pop your knees
It's hot up in this peace
I'm thirsty as can be
Your body's got that juice (ye..ye..yeah, yeah, yeah)
You need to come an wet me baby!

(Its gangsta)

Everyday with me
Come and play with me
You hold your morals
So steadily
I can't see
Why your teasing me
When you and I both know your ready
Slide your hand right here
Feels so clear
My pants they getting so heavy
Just helping you
Learning you
Baby don't you worry

Kinda know what you want
You constantly seek me(Oh ooooooohhhhh)
Tounging up and down on you (yeah...yeah...yeah)
It's time to pop your knees
It's hot up in this peace
