

Dream On

Noel Gallagher

oh me, oh my - i'm running out of batteries
i'm hanging from a ladder
the tears you cry are only meant to flatter me
this shit don't matter at all
taking the shots as i fall
watching the wheel as they go round and round
serene in the air cos i love you ladyyy
dream on
is that songbird singing?
shout it out for me
shout it out for me
so come on nowwww
one day at a time
i'm hiding from a razor blade
it's hanging in the kitchen
the kids outside, they've drank up all the lemonade
the bitch keeps bitching it all
taking the shots as i fall
watching the wheel as they go round and round
serene in the air cos i love you ladyyy. I

dream on
is that songbird singing?
shout it out for me
shout it out for me
dream on
cos it's got no meaning
shout it out for me
shout it out for me
she goes ...
dream on
is that songbird singing?
shout it out for me
shout it out for me
dream on
cos it's got no meaning
shout it out for me
(shout it out for me
so come on

shout it out for me
come on) repeat till fade
