Wherever You Are

Jack Ingram

This desert wind is burnin' my face again
God I'm missin' you
Been runnin' blind, under a broken sky
With regrets I'm sorting through
But lesson learned baby, I made the turnWherever you are, no matter how far
Girl, I'm gonna find my way to you
Through rivers of rain or the mountains of pain
Do whatever on earth I've gotta do
I'll follow the dream, I'll follow my heart
Girl, I've gotta be wherever you areSo many miles to where we said goodbye
To the street of shattered dreams
I'm prayin' hard you can start a life
With someone who's not me
And if you're just gone, girl I'll be movin' onWherever you are, no matter how far
Girl, I'm gonna find my way to you
Through rivers of rain or the mountains of pain
Do whatever on earth I've gotta do
I'll follow the dream, I'll follow my heart
Girl, I've gotta be wherever you areLet the sunrise find me searchin'
Let the west wind carry my plea
Give this changed me one more last chance
Open your arms to me, wherever you areThrough rivers of rain or mountains of pain
Do whatever on earth I've gotta do
I'll follow the dream, I'll follow my heart
Girl I gotta be wherever you are, wherever you are
Wherever you are, wherever you are
