run run run

Rosie Lowe

So you wanna be something more?
Start afresh like a brand new baby
Don't you wanna think of me anymore?
I don't seem to give you all the little things you needWipe our slate clean
Start treating me like I'm the devil to your halo
It's your choice
To run, run, run, awayShow me another way to flip the coin
Cause the balance goes and they're left behind
Like a gambling game, wasn't in it for the win
Tell me another way that don't involve a gun
Not the only time I've shot one, one down
Must do something wrong yet I never promised any of me
So I make you weak and I break you down?
Thought I made clear we were just playing 'round
Didn't ask to be the one to think about
You seemed strong then never thought I'd drown you outIt's all part of humanity
Always wanting what we can't reach
It's your choice
To run, run, run awayShow me another way to flip the coin
Cause the balance goes and they're left behind
Like a gambling game, wasn't in it for the win
Tell me another way that don't involve a gun
Not the only time I've shot one, one down
Must do something wrong yet I never promised any of me
Seventy, thirty, the balance is off
Fifty-fifty, you don't stand a chance
We're not meant to be, I'm happiest when I'm alone (Nothing personal)
Sixty, fourty, just numbers on a page
But put them on a scale and see who gets saved
Impossible me, run, won't you run away? (Nothing personal)I don't like to think that my heart ain't right
Made of stone cause I'm not ready to share my life
Yet I'm patronised for the choice I make
If I gave it to you, it would be my last mistake
Only so much time
Only so much time to give
When I know I'll know and I will give it all
It's my choice to run, run, run awayShow me another way to flip the coin
Cause the balance goes and they're left behind
Like a gambling game, wasn't in it for the win

Tell me another way that don't involve a gun
Not the only time I"ve shot one, one down
Must do something wrong yet I never promised any of me
