

All the Lovers (Live from Aphrodite/Les Folies)

Kylie Minogue

Dance, it's all I wanna do
So won't you dance? I'm standing here with you
Why won't you move? I'll get inside your groove
'Cause I'm on fire, fire, fire, fire It hurts when you get too close
But, baby, it hurts if love is really good
You just want more, even if it throws you
To the fire, fire, fire, fire All the lovers
That have gone before
They don't compare
To you Don't be frightened
Just give me a little bit more
They don't compare
All the lovers Feel, can't you see there's so much here to feel?
Deep inside your heart you know I'm real
Can't you see that this is
Goin' higher, higher, higher, higher Breathe, I know you find it hard
But, baby, breathe, you'll be next to me
It's all you need and I'll take you there
I'll take you higher, higher, higher All the lovers
That have gone before
They don't compare
To you Don't be frightened
Just give me a little bit more
They don't compare
All the lovers Dance, it's all I wanna do
So won't you dance? I'm standing here with you
Why won't you move? Even if it throws you
To the fire, fire, fire, fire All the lovers
That have gone before
They don't compare
To you Don't be frightened
Just give me a little bit more
They don't compare
All the lovers
