

Like My Daddy (feat. Jussie Smollett)

Empire Cast

Wooah

Oooh

Wooah

(Guess what) People tell me I'm just like my daddy

People tell me I'm just like my daddy

People tell me I'm just like my daddy

My daddy

Cause I lie like I'm lying on a rug

Get my hands a lil dirty, no gloves

Everybody welcome to the gun show

And it go

Everybody duck down It's hard to love the devil, he's a hater

A dirty hypocrite, manipulator

Made a mama lose her kids

Let her go away for seventeen years

Not allowed to shed a tear

Growing up with all your, phobic fears But people tell me I'm just like my daddy

People tell me I'm just like my daddy

People tell me I'm just like my daddy

Oh really, hell nah (no way, no way)

Cause I lie like I'm lying on a rug

Did some crime even wore some black gloves

Everybody welcome to the gun show

And we go (daddy)

Everybody duck down You reek of royalty, a dangerous mix

You sing of loyalty, but you the snitchin ass bitch

I tried to play it cool

Funny what the people do for

Money power and the fame

I'd call ya Mr. Lyon

If I did I would be lyin'

Cause that ain't even your name But people tell me I'm just like my daddy

People tell me I'm just like my daddy

They all say that you look just like your daddy
