

# I Remember You (feat. Mickey Dripping)

[Mikhael Paskalev](#)

I remember you  
From way back when  
I never did forget  
Now I feel ten again Well I'd see you there  
Standing tall  
Backed up against the wall  
Books to your breast  
And I want it all Should I say: "Hey" Sit me down nex to you  
Crying out to be the fool  
To spend all my money,  
Girl, food for two 'Cause if you never choose  
You never quite loose  
Hold back the thoughts I had  
Pray for the moment when I hear you say Hey, hey, hey, ... Can't you see  
If you took the chance  
To get to know me  
I'd be all you want  
For you to need me I remember you  
From way back when  
I never did forget  
Now I feel ten again Hey, hey, hey, ... Can't you see  
If you took the chance  
To get to know me  
I'd be all you want  
For you to need me
