Southern Pacifica

Josh Ritter

Southern pacific
Red, white, and blue
Where are we running to?
Over the wide plains
Over the wide plains
Take me to someplace newRemember me Roxy Anne
You know she's still lovely
Tell her I was on the move
The last time you saw me
That you only saw the back of my headClimb through the timbers
And I'll breath the dust
Of cosmos and wild rose bud
And thunder the unknowns
In the phosphorous white glow
Of saber-tooth bones in the duskRemember me Roxy Anne
You know she's still lovely
Tell her I was on the move
The last time you saw me
That you only saw the back of my headRemember me Roxy Anne
You know she's still lovely
Tell her I was barely there
The last time you saw me
That you only saw the back of my headSouthern pacific
Take me to meet
Whatever is hunting
For me
