

Let Me Live In Your City (Work In Progress)

Paul Simon

You got the cool water when the fever runs high
You got the look of love light in your eyes
And I was in crazy motion 'til you called me down
You took a little time but you called me down Oh, let me live in your city, the river so pretty, the air so fine
Rent me a room where I can lay over
Oh, I'm just a traveler eatin' up traveling time
I'm just a traveler eatin' up my traveling time They got a wall in China, it's a thousand miles long
To keep out the foreigners they built it strong
And I got a wall around me, you can't even see me
It took a little time to get to me Oh, let me live in your city, the river so pretty, the air so fine
Rent me a room where I can lay over
Oh, I'm just a traveler eatin' up traveling time
I'm just a traveler eatin' up my traveling time Some people never say the words, 'I love you'
It's not their style to be so bold
Some people never say those words, 'I love you'
But like a child they're longing to be told Let me live in that city, the river so pretty, the air so fine
Rent me a room where I can lay over
Oh, I'm just a traveler eatin' up traveling time
Oh, I'm just a traveler eatin' up my traveling time
