It's You

The Rurals

Go, let it go
Let it go
Put it all behind
For you
Show, let it show
Let it show
That you're
Not afraid of this
For you
And there's only
One person I know
That is worth
All the time in the world
It's you
Life, this short life
This sweet life
Is all I've got
I've got for you
And there's only
One person I know
That is worth
All the time in the world
It's you
It's you
It's you that
Makes me feel it
You that
Makes me feel so alive
So alive
It's you
It's you
Born, we were born
We were born
In this world of hope
I hope it's you
And there's only
One person I know
That is worth
All the time in the world

It's you
It's you
It's you that
Makes me feel it
You that
Makes me feel so alive
So alive
It's you
It's you
It's you that
Makes me feel it
You that
Makes me feel so alive
So alive
Don't call off
All your feelings
And sew off
All your clothes
To forget me, to forget me
All dried up in this weather
Been tied up since forever
So let me, just let me
It's you
It's you
It's you that
Makes me feel it
You that
Makes me feel so alive
So alive
It's you
It's you
It's you that
Makes me feel it
You that
Makes me feel so alive
So alive
It's you
It's you
It's you
It's you
