

I Luv the Valley OH!!

Shearwater

It's a pill and you've got to take it
It's a pill that you've got to take
It's a pill and you've got to take it
I won't rest until you take it
That's a heart that you made
That's a heart and the both of you made it
That's a heart that you made
I won't rest until I break it
It's l'histoire de la famille
It's l'histoire de la fam
It's l'histoire de la famille And I won't rest until I forget about it
I won't rest until I don't care
I won't rest until I forget about it
I won't rest until I don't care
La la la la la la la
That's a razor and you make a threat
That's a razor, make a million billion threats
That's a razor and you make a threat
And I won't rest cuz I heard it all before
My behind is a beehive
There's a buzz in my backside
My behind is a beehive
And I won't rest while you break my will
J'taime the vallÃ©e
J'taime the vallÃ©e OH!!!
J'taime the vallÃ©e
I am an orphan de la vallÃ©e
