

# My Name Is Thanos

## Emmure

You don't fucking know me  
And you never will  
I'm not from this world  
I didn't ask to be here You don't fucking know me  
And you never will  
I'm not from this world  
I didn't ask to be here Look down at me, you'll see a fool  
Look up at me, you'll see your God  
Look straight at me and you'll see yourself I didn't ask to be here  
I didn't ask to be here  
I didn't ask to be here  
I'm not from this world You don't fucking know me  
And you never will  
I'm not from this world  
I didn't ask to be here I didn't ask to be here  
I didn't ask to be here  
I didn't ask to be here  
I'm not from this world
