

Bliss Like This

Ani DiFranco

I said venice
You heard vegas
Now I say either way
Baby let's go
I get so shaky And I just can't shake it
I bliss like this
I'm one of those But I don't want to wear you
Wear you like a band-aid
Wave you like a ticket
Out of my good grief I just want to know you
Know you like I know my garden
What you smell like when you're bloomin'
What lives underneath Deep down underneath
Way down underneath We do a whole lot of laughin'
At the shyness that surrounds us
I do a whole lot of lookin'
Somewhere else I don't need to look
No, I can just feel you
Besides every time I see you
It just forces me to look at myself 'Cause I get so shaky
And I just can't shake it
I bliss like this
I'm one of those And I said Venice
And you heard Vegas
But now I say either way
Let's go
Come on baby let's go
