How Does It Feel

Sugarcult

Well I'm back in the class
fallin' out of your past
all the letters I wrote
that you thought as a joke
and the phone never rings
when you're cold and it stings
all the holidays suck
by myself cause I'm fucked
and I'm dyin' dyin' dyin'
Chorus:
So how does it feel? How does it feel?
cause it's tearin' me apart
how does it feel? How does it feel?
cause it's tearin me apart
Well I'm back for some more
round 2 was a bore
and you're drifting away
cause you want it that way
and I'm picking up pieces of
hearts that completely are broken
in two so it must have been you
while you're lyin in bed with somebody
Chorus

Cannot convince me anymore
cannot control me like before
How does it feel? How does it feel?
How does it feel? How does it feel?
How does it feel? How does it feel?
And it's 1:45 and I'm feelin' alive
I've got it all and it's your last call
Found somebody new and she's better than you
You've been replaced by a prettier face
so look who's cryin' now
We don't wanna be the enemy of what we used to be
we don't wanna be the enemy of what we used to be
So how does it feel? How does it feel?
cause it's tearin me apart
How does it feel? How does it feel?

cause it's tearin me apart
So how does it feel? How does it feel now?
How does it feel? How does it feel now?
