

Pinball Wizard

Wynners

Ever since I was a young boy
I've played the silver ball
From Soho down to Brighton
I must have played them all I ain't seen nothing like him
In any amusement hall
That deaf, dumb and blind kid
Sure plays a mean pinball Stands like a statue
Becomes part of the machine
Feeling all the bumpers
Always playing clean Plays by intuition
The digit counters fall
That deaf, dumb and blind kid
Sure plays a mean pinball He's a pinball wizard
There has to be a twist
A pinball wizard
Got such a supple wrist How do you think he does it?
I don't know
What makes him so good? Ain't got no distractions
Can't hear no buzzers and bells
See no lights a-flashin'
Plays by sense of smell Always gets a replay
Never seen him fall
That deaf, dumb and blind kid
Sure plays a mean pinball Thought I was
The Bally table king
But I just handed
My pinball crown to him At my favorite table
He can beat my best
Doubles lead him in
He just does the rest He's got crazy flipping fingers
I've never seen him fall
That deaf, dumb and blind kid
Sure plays a mean pinball
