

# My Baby Loves Me

[Martina McBride](#)

Don't need no copy of vogue magazine  
Don't need to dress like no Beauty Queen  
High heels or sneakers, he don't give a damn  
My baby loves me just the way that I am  
My baby loves me just the way that I am He never tells me I'm not good enough  
Just gives me unconditional love  
He loves me tender, he loves me mad  
He loves me silly and he loves me sad He thinks I'm pretty, he thinks I'm smart  
He likes my nerve and he loves my heart  
He's always sayin' he's my biggest fan  
My baby loves me just the way that I am  
My baby loves me just the way that I am When there's dark clouds in my eyes  
He just sits back and lets 'em roll on by  
Come in like a lion and go out like a lamb  
My baby loves me just the way that I am  
My baby loves me just the way that I am He thinks I'm pretty, he thinks I'm smart  
He likes my nerve and he loves my heart  
He's always sayin' he's my biggest fan  
My baby loves me just the way that I am He thinks I'm pretty, he thinks I'm smart  
He likes my nerve and he loves my heart  
Don't see no reason to change my plan  
My baby loves me just the way that I am  
My baby loves me just the way that I am
