

The Valley Runs Low

Joe Bonamassa

Well I have to say
I've gotten in my own way
Crossed the borderlines
Talked to demons one too many times I'm gonna wait
Till I hear her calling
I'm gonna wait
Till I'm out of time
I know I'm late
And I am falling
Where the valley runs low
And the river runs high Another perfect day
Paid the price that I had to pay
And it's a long road
Trying to get there but I feel so low
I'm gonna wait
Till I hear her calling
I'm gonna wait
Till I'm out of time
I know I'm late
And I am falling
Where the valley runs low
And the river runs high
Where the valley runs low
And the river runs high The days are hot
The nights are cold
It's the chance to get it right
Before I get old Found a letter
She said she'd kill me if I left her
If she's lying
She'll be laughin' and I'll be crying
I'm gonna wait
Till I hear her calling
I'm gonna wait
Till I'm out of time
I know I'm late
And I am falling
Where the valley runs low
And the river runs high
Where the valley runs low

And the river runs highWhere the valley runs low
And the river runs high
