

In A Rush

Blackstreet

It came over me in a rush
When I realized that I love you so much
That sometimes I cry, but I cant tell you why
why I feel what I feel insideHow I try to express what's been jugglin' my mind
But still can't find the words
But I know that something's got a hold of meIt came over me in a rush
When I realized that I love you so much
That sometimes I cry, but I cant tell you why
why I feel what I feel insideBaby, some day I'll find a way to say
just what you mean to me
But if that day never comes along
and you don't hear this song
I guess you'll never know that...It came over me in a rush
When I realized that I love you so much
That sometimes I cry, but I cant tell you why
why I feel what I feel insideAnd when I say inside, I mean deep
You fill my soul with something I cannot explain
What's over meIt came over me in a rush
When I realized that I love you so much
That sometimes I cry, but I cant tell you why
why I feel what I feel insideIt came over me in a rush
When I realized that I love you so much
That sometimes I cry, but I cant tell you why
why I feel what I feel inside
