

# Dommage, Dommage (Too Bad, Too Bad)

Jerry Vale

"Dommage, Dommage,  
Our love was once exciting,  
Now it's just a game we play,  
    Too bad, too bad,  
    But nothing lasts forever,  
    All at once we lost our way..  
        Hello, goodbye,  
        And suddenly it's over,  
        And there's nothing we can do..  
            Dommage, Dommage,  
Too bad we couldn't make our dreams come true  
        Hello, goodbye,  
        And suddenly it's over,  
        And there's nothing we can do..  
            Dommage, Dommage,  
Too bad we couldn't make our dreams come true.
