

Chale

Guvna B

Alo mate, yeah that's how I start it of (You should know by now)
Thats right, Im hard to stop (You should know by now)
If you wanna try thing, I'll laugh you of (You can't bring me down)
God first, I will never come second and (You should know by now)
I'll come through with the best of flow Ain't second, Im next to blow
Im givning Him my best, you know
And a little bit extra yo' so...
Anything that come my way, I will overcome the right way
I put my faith in God and marry a lion NOT a nice sing
And I know that time, yeah, for a reason
Winter, spring, summer, autumn, survive through any season
Even when I walk through the valley, I can believe in
and you don't knooooow
CHALE! Im gonn' get it (chale, chale) Chao
CHALE! Im gonn' get it (chale, chale) A-o
CHALE! Im gonn' get it (chale, chale) Side in the cre'
CHALE! and you don't knooow
CHALE! Love God, love people, thats my moto (you should know by now)
I put my hope in Him, NOT LOTTO (you should know by now)
People from my past wanna pull me down pronto (You can't bring me down)
I still smile, I still do azonto (you should know by now)
