

# Roundabout (Early Rough Mix)

## Yes

I'll be the roundabout  
The words will make you out 'n' out  
I spend the day your way  
Call it morning driving through the sound and  
In and out the valleyThe music dance and sing  
They make the children really ring  
I spend the day your way  
Call it morning driving through the sound and  
In and out the valleyIn and around the lake  
Mountains come out of the sky and they stand there  
One mile over we'll be there and we'll see you  
Ten true summers we'll be there and laughing too  
Twenty four before my love you'll see  
I'll be there with youI will remember you  
Your silhouette will charge the view  
Of distance atmosphere  
Call it morning driving through the sound and  
Even in the valleyIn and around the lake  
Mountains come out of the sky and they stand there  
One mile over we'll be there and we'll see you  
Ten true summers we'll be there and laughing too  
Twenty four before my love you'll see  
I'll be there with youAlong the drifting cloud  
The eagle searching down on the land  
Catching the swirling wind  
The sailor sees the rim of the land  
The eagle's dancing wings  
Create as weather spins out of handGo closer hold the land  
Feel partly no more than grains of sand  
We stand to lose all time  
A thousand answers by in our hand  
Next to your deeper fears  
We stand surrounded by a million yearsI'll be the roundabout  
The words will make you out 'n' out  
I'll be the roundabout  
The words will make you out 'n' outIn and around the lake  
Mountains come out of the sky and they stand there  
Twenty four before my love and I'll be thereI'll be the roundabout  
The words will make you out 'n' out

I spend the day your way  
Call it morning driving through the sound and  
In and out the valley In and around the lake  
Mountains come out of the sky and they stand there  
One mile over we'll be there and we'll see you  
Ten true summers we'll be there and laughing too  
Twenty four before my love you'll see  
I'll be there with you Da la la la da da la
