

Love Is Pain

Girls Aloud

What you are, what you see
It don't matter to me, it don't matter to me
What you know, what you need
It don't matter to me, just be faithful to me
When you're not turning cold
When you're not turning cold
Turning cold, turning cold
First I saw the letter, heard your secret call
Tellin' you walk away while away's turning cold
First I saw the letter, heard your secret call
Tellin' you walk away while away's turning cold
First I saw the letter, heard your secret call
Tellin' you walk away while away's turning cold
First I saw the letter, heard your secret call
Tellin' you walk away while away's turning cold
What you say, what you mean
It don't matter to me, it don't matter to me
What you want, what you dream
It don't matter to me, just be faithful to me
When you're not turning cold
When you're not turning cold
Turning cold
First I saw the letter, heard your secret call
Tellin' you walk away while away's turning cold
First I saw the letter, heard your secret call
Tellin' you walk away while away's turning cold
First I saw the letter, heard your secret call
Tellin' you walk away while away's turning cold
First I saw the letter, heard your secret call
Tellin' you walk away while away's turning cold
Love is pain, oh, oh, oh, oh
Love is pain, oh, oh, oh, oh
You're insane, oh, oh, oh, oh
Feel like I wipe you
Love is pain, oh, oh, oh, oh
Love is pain, oh, oh, oh, oh
You're insane, oh, oh, oh, oh
Feel like I wipe you
Love is pain, oh, oh, oh, oh
Love is pain, oh, oh, oh, oh
You're insane, oh, oh, oh, oh
Feel like I wipe you
Love is pain, oh, oh, oh, oh
Love is pain, oh, oh, oh, oh
You're insane, oh, oh, oh, oh
Feel like I wipe you
Love is pain, oh, oh, oh, oh
Love is pain, oh, oh, oh, oh
You're insane, oh, oh, oh, oh
Feel like I wipe you
Love is pain, oh, oh, oh, oh
