

# Close To You

## Muddy Waters

I wanna get close to you baby, as white on white  
As close to you baby, as cold is to ice  
Close to you baby, as hair on your head  
Close to you babe, you better believe what I said I wanna get close to you, baby  
Whoa, let me be close to you  
I wanna get so close to this little girl, till she  
Don't know what to say or do I wanna get as close to you baby, as the side of your eye  
Close to you baby, as heat is to fire  
Close to you baby, how an egg is to hen  
Close to you baby, as siamese twins I wanna get close to you, baby  
Whoa, let me get close to you  
I wanna get so close to this woman, now, ha  
She don't know what to say or do Closer and closer, baby, now  
Closer and closer, baby  
Closer and closer, baby  
Closer and closer, baby I wanna to get so close to this woman  
Till she don't know what to say or do, yeah Ah, yeah, let me get closer  
I wanna get so close to the girl till she can't even look at me I wanna be close to you baby, as I can get  
Close to you baby, as water is wet  
Close to you baby, as fire is to smoke  
Close to you baby, as pig is to poke I wanna get close to you, baby  
Whoa, let me get close to you  
I wanna get so close to this little girl, till she  
Don't know what to say or do
