

# Lost Boys

## Two Hours Traffic

Oh the lost boys, oh the lost boys  
They never grew up yet, the never grew up yet  
Over the mountain I saw the fountain of youth  
Over the mountain for a moment of truth Just a second, just one moment please please  
Just a minute, just one little tease  
Get on up, grab your guitars and take a dip with us  
Oh oh oh you can take a dip with us Oh the lost boys, oh the lost boys  
They communicate, they communicate  
Write down their message inside a telephone booth  
Drop off the messages at the moment of truth Just a second, just one moment please please  
Just a minute, just one little tease  
Get on up, grab your guitars and take a dip with us  
Oh oh oh you can take a dip with us  
Just a second, just one moment please please  
Just a minute, just one little tease  
Get on up, grab your guitars and take a dip with us  
Oh oh oh you can take a dip with us  
Oh the lost boys, oh the lost boys  
They like to stay up late, they always stay up late  
Five in the morning they climb up on to the roof  
Five in the morning for a moment of truth
