Robot Love

Allison Iraheta

Hey!
Waking up to the sound of text messages
And typing in my ear
You just can't wait to check your e-mail
I'll beg and beg, baby connect with me instead
Technology sucks (Sucks!)
I wish I could change all your numbers
Put your phone underwater
And if your gadgets spoke back, I would have to ask
Why you won't let down
You're such a homewrecker
Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
My boyfriend's in love with a robot
Table for three, we got a third wheel
For me and you and your artificial intel
You can't keep your hands off her
She's beep-beep-beeping over every other word
Technology sucks (Sucks!)
I wish I could change all your numbers
Put your phone underwater
And if your gadgets spoke back, I would have to ask
Why you won't let down
You're such a homewrecker

Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
My boyfriend's in love with a robot
How can I save you now
Love's not mechanical
Sometimes I want to be

Stomping on your phone (Sucks!)
Busting up your laptop
No more, no more, no more robot
Stomping on your phone (Sucks!)
Busting up your laptop
No more, no more, no more robot
Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
My boyfriend's in love with a robot
Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
