

Birds

Death Grips

[Hook]

I got tomorrow coming

I got, got, I got

I got tomorrow coming

I got tomorrow coming

I got, got, I got

I got tomorrow coming

In

Birds

Fuck you[Verse 1]

I've got a bluebird

It might die

It got wetted

I stayed dry

I'm not trying to use my mind

I got that attitude at all times

I've got this attitude at all times

I got a black hat

It might live

It's got a black hat

It goes big

I had a bluebird, now it's dead[Hook 2]

1...2...3...4...

One bird, two birds, three birds, four

Five birds, six times, life is war

One bird, two birds, three birds, four

Fuck you think I fuck this for?[Hook][Verse 2]

I got, you not, in my way

I got right now between my legs

I put right now between your legs

I got today shoveling graves

I got tomorrow turning in your grave

I got Jesus, he got saved

I got power, it's so cheap

Fuck this bird, bitch, drink this bleach[Hook 2]I got higher

I got fake

I got

Birds
