Coma White

Apoptygma Berzerk

Theres something cold and blank behind her smile
Shes standing on an overpass
In her miracle mile
'Cause you were from a perfect world
A world that threw me away today
Today to run awayA pill to make you numb
A pill to make you dumb
A pill to make you anybody else
All the drugs in this world
Wont save her from herselfHer mouth was an empty cut
And she was waiting to fall
Just bleeding like a polaroid
Lost all her dolls
You were from a perfect world
A world that threw me away today today
Today to run awayA pill to make you numb
A pill to make you dumb
A pill to make you anybody else
All the drugs in this world
Wont save her from herselfA pill to make you numb
A pill to make you dumb
A pill to make you anybody else
All the drugs in this world
Wont save her from herselfYou were from a perfect world
A world that threw me away todayA pill to make you numb
A pill to make you dumb
A pill to make you anybody else
All the drugs in this world
Wont save her from herselfA pill to make you numb
A pill to make you dumb
A pill to make you anybody else
All the drugs in this world
Wont save her from herself
