

# Empty Streets

## Late Night Alumni

The city feels clean this time of night  
Just empty streets and me walking home  
To clear my head, I know it came as no surprise  
I'm affected more than I had guessed on what was said  
If this love's not meant to be  
If the heart's not ready to open  
If we make it I won't see it's broken  
If this love's not meant to be  
If the heart's not ready to open  
If we make it I won't see how it's broken  
It's the quiet time before the dawn  
And I'm half past making sense of it  
Was I wrong?  
Should I think to give it all  
In a world where not much  
Ever seems to last long?  
If the love's not meant to be  
If the heart's not ready to open  
If we make it I won't see it's broken  
If this love's not meant to be  
If the heart's not ready to open  
If we make it I won't see how it's broken  
How it's broken  
If this love's not meant to be  
If the heart's not ready to open  
If we make it I won't see it's broken  
If this love's not meant to be  
If the heart's not ready to open  
If we make it I won't see how it's broken  
How it's broken  
How it's broken
