

# Burning Wheel

## Primal Scream

Through my diseased eyes I'm sinful sly  
I can't stop stealing  
I will pay the price of being a thief  
When I stop breathing If you could see what I can see  
Feel what I feel  
When my head is on my fire  
I'm a burning wheel Through my bleeding eyes I'm filthy fly  
I crawl with insects  
I'm anesthetized I'm demonized  
Caught in the vortex If you could see what I can see  
Feel what I feel  
When my head is on my fire  
I'm a burning wheel I see, I feel  
I see, I feel  
I see, I feel  
I see, I feel If you could see what I can see  
Feel what I feel  
When my head is on fire with  
I'm a burning wheel
