# Luck

## Jamie McDell

All my clothes are
spread across my bedroom floor
I don't know how he left me
waiting here wanting more
and i wouldn't think that you
could understand
how you left me feeling
With a little bit of luck
and this pain in my gut
I'll forget it for a one night stand.
I don't want to be in love
cause its tearing me up,
and I swore I'd never do it again.
Staring out my window
people seem to be so bright
I hide in corners,
cause I can't face the light.
I know I should have seen
it coming when,
you get what you deserve.
But with a little bit of luck
and this pain in my gut
I'll forget it for a one night stand.
I don't want to be in love
cause its tearing me up,
and I swore I'd never do it again.
But with a little bit of luck
and this pain in my gut
I'll forget it for a one night stand.
I don't want to be in love
cause its tearing me up,
and I swore I'd never do it again.
I'd never do it again
I'd never do it again
I'll never do it again.
