

# I Need Your Love (Q.Ron Remix)

Ellie Goulding

I need your love  
I need your time  
When everything's wrong  
You make it right  
I feel so high  
I come alive  
I need to be free with you tonight  
I need your love I need your love I take a deep breath every time I pass your door  
I know you're there but I can't see you anymore  
And that's the reason you're in the dark  
I've been a stranger ever since we fell apart  
I feel so out of sea  
Watch my eyes are filled with fear  
Tell me do you feel the same  
Hold me in your arms again I need your love  
I need your time  
When everything's wrong  
You make it right  
I feel so high  
I go alive  
I need to be free with you tonight  
I need your love I need your love Now I'm dreaming, will ever find you now?  
I walk in circles but I never make it out  
What I mean to you, do I belong  
I try to fight this but I know I'm not that strong And I feel so helpless here  
Watch my eyes are filled with fear  
Tell me do you feel the same  
Hold me in your arms again I need your love  
I need your time  
When everything's wrong  
You make it right  
I feel so high  
I come alive  
I need to be free with you tonight  
I need your love I need your love All the years  
All the times  
You were never been to blame  
And now my eyes are open  
And now my heart is closing

And all the tears  
All the lies  
All the waste  
I've been trying to make it change  
And now my eyes are open I need your love  
I need your time  
When everything's wrong  
You make it right  
I feel so high  
I come alive  
I need to be free
