

# Left of the Dial

## The Replacements

Read about your band in some local page  
Didn't mention your name, didn't mention your name  
Sweet Georgia breezes, safe, cool and warm  
I headed up north, you headed north

On and on and on and on  
What side are you on?  
On and on and on and on  
What side are you on?

Weary voice that's laughin', on the radio once  
We sounded drunk, never made it on  
Passin' through and it's late, the station started to fade  
Picked another one up in the very next state

On and on and on and on  
What side are you on?  
On and on and on and on and...

Pretty girl keep growin' up, playin' make-up, wearin' guitar  
Growin' old in a bar, ya grow old in a bar  
Headed out to San Francisco, definitely not L.A.  
Didn't mention your name, didn't mention your name

And if I don't see ya, in a long, long while  
I'll try to find you  
Left of the dial
