

# Husslin'

## Dr. Evil

Wild time live  
[Incomprehensible]Yo big tune  
For Mr. B  
Aiiyo my eastside people let me hear yo  
I wanna hear you say yes  
I wanna hear you say yes  
Aiiyo my westside people let me hear yo  
I wanna hear you say yes  
I wanna hear you say yes  
Yo, we in a rush  
Yo, pass me the keys to the truck so I can start my husslin'  
Yo, we in a rush  
Turn up the speakers so my words shine through  
My nigga them street cats will hussle you  
Yo, we gotta live, positive, or positive  
Action is your prerogative  
Clips be sparklin' in the parkin' lot while time gets dark  
We celebratin' with the crew, my nigga what else could we do?  
Hand to hand passin' contraband  
Yo, runnin' from Babylon  
Yo, making the money 'cause, yo, that's the solution  
Yo, they won't hire my brothers to work 9 to 5  
So instead of suicide, we husslin' to stay alive  
My peeps don't wanna live off of them government checks  
So we take the street, we gotta beat  
And make 'em move to the beat  
Your gun finger in the air for prisoners on lock  
Your gun finger in the air for revolution pawn cock  
Gettin' paid out the books this year  
We wanna cocoa butterin' large amounts, that's cream  
No doubt 'cause we be  
Husslin', husslin', yo  
Aiiyo my people in the streets  
Husslin', husslin', yo  
B-Boys from West to East  
Husslin', husslin', yo  
The real will never decrease  
Husslin', husslin', yo yo yo  
Because we be husslin', husslin', husslin'

Husslin', husslin', husslin', husslin'  
You gotta do the hussle  
You and your crew the hussle  
Aiiyo we be husslin', husslin', husslin'  
Can I get a yeow! Yeow!  
Aiiyo can I get another one yeow! Yeow!  
I'm representin' for my husslers on the go  
No chatter, long term doesn't matter baby mama  
'Nuff drama she wants her new Guess vest  
She's husslin' me to impress, she want child support  
But my seed has never ever seen his daddy before  
She said, if I don't go her the loot  
She'll take me to court  
Tell the police on the side I'm makin' fake passports  
Aiiyo who's husslin' who? The politicians or the criminals  
Herb husslers or smugglers, record labels or rap  
Yo, can I get a soul clap?  
Words are infinite  
Rhymes are untouchable, in the skies are the limit  
Yo, some people husslin' because then cant make rent  
They 9 to 5 makin' them 95 dollars and 10 cents  
Yo people all around the world  
They husslin' to stay alive  
When ya hussle do it for the eye and I  
Husslin', husslin', yo  
Aiiyo my people in the streets  
Husslin', husslin', yo  
B-Boys from West to East  
Husslin', husslin', yo  
The real will never decrease  
Husslin', husslin', yo yo yo  
Because we be husslin', husslin', husslin'  
Husslin', husslin', husslin', husslin'  
You gotta do the hussle  
You and your crew the hussle  
Aiiyo we be husslin', husslin', husslin'  
Yo, well see ya!  
Mr. Kardinal rockin' non-stop  
Husslin' from uptown and cop a fat drop top  
Yo, my circle bustin' husslin' records from day one  
Figure 4 to Kneedeep, Capital Hill on the gun  
Sliver house and the girl keepin' the rhythm damn tight, tight  
Pick up the slack my A.S.R. in the back  
Yo, the way I bust my hussle  
Positive muscle and motion

Husslin' from east to west coastin'  
Toastin' the players in the rap game controllin' the dice  
You don't have to be a shot caller do show them brothers you're nice  
Just do yo thing baby  
Straight from up above naturally  
And I'm a fan one love  
Can I get yeow! Yeow!  
Can I get another one yeow! Yeow!  
I'm representin' for the T-Dot O, O!  
Aiyyo can I get another one, yeow! Yeow!  
Yeow, yeow, yeow  
'Cause we be  
Husslin', husslin', yo  
Aiyyo my people in the streets  
Husslin', husslin', yo  
B-Boys from West to East  
Husslin', husslin', yo  
The real will never decrease  
Husslin', husslin', yo yo yo  
Because we be husslin', husslin', husslin'  
Husslin', husslin', husslin', husslin'
