

# Come Hell Or High Water

## Everything But the Girl

Come Hell or high water  
You just do as you please,  
Waste your time when you oughta  
Be charming the birds from the trees.  
A voice straight from heaven  
So you like to believe  
And who cares if its only  
Your poor self you deceive.  
You look in the mirror and what do you see?  
Too much care and scaming, too little beauties  
Come Hell or High water, you never will be  
A goddess or a genius, a drunker at 23  
And all that you yearn for, is attention I guess  
Come Hell or high water you deserve nothing less.  
Come Hell or high water you will stray off the rails  
and I won't try to change you for god knows I would fail  
and its to the angels that each day you pray  
Come hell or high water I know you will meet them someday
