Bad Mongo

Turbonegro

He's been waiting for so long -
Singing that same old institution song -
A humanoid shape in the dense of night -
Bad Mongo got a very big knife -Run back home and lock the door -
The streets ain't safe no more -
Wild eyes and a dribbling tongue -
He likes murder and he likes wrong -Bad Mongo - gonna kick you in the face -
Bad Mongo - gonna schtompf you in the eye -
Bad Mongo - gonna make you crawl and beg -
Before he makes you die -A 'fuck the world' tattoo on his arm -
Thee Iron Cross is his lucky charm -
From the institution with an axe in his hand -
A genetic nightmare -
It's the Bad Mongo man -Run back home and lock the door -
The streets ain't safe no more -
Wild eyes and a dribbling tongue -
He likes murder and he likes wrong -Bad mongo - gonna kick you in the face -
Bad mongo - gonna schtompf you in the eye -
Bad mongo - gonna make you crawl and beg -
Before he makes you die -Bad mongo - is gonna stab you in the foot -
Bad mongo - he's gonna kill you in the face -
Bad mongo - is gonna destroy -
Bad mongo - the human race -
Bad Mongo -
