

Being With U

Basement Jaxx

Being with you is all I need
Being with you is all I need Bom bom ba ba bah dah ba dah
Being with you, oh yeah
Bom bom ba ba bah dah ba dah
Being with you, ah yeah There's nothing betta nor sweeta
Than the taste of your smile
Being with you is the sweetest thing
That I ever knew 'Cause being with you there is nothing
Else I'd rather do
Just being with you, ah yeah
Being with you, ah yeah
Take my hand
Being with you
