

I Call Your Name

Free Chapel

Holy, Lord God almighty
Ancient of days giver of faith,
Lord I need you
Worthy, Lord your deserving
Of all I have I lay me down,
Lord I need you I call your name Lord you reply
You bring your kingdom
To stand by my side
Giver of life All that I need
Father your everything that is precious to me
There is no one like you lord in all the earth

Digno,
Dios tu eres digno
de todo lo que soy
bongo a tus pies
te necesito
y te llamare
me contestaras
y en un instante a mi lado tu estaras
y eres todo
lo que necesito
y en mi vida
lo mas precioso

I call your name Lord you reply
You bring your kingdom
To stand by my side
Giver of life All that I need
Father your everything that is precious to me
There is no one like you lord in all the earth
There is no one like you lord in all the earth
There is no one like you lord in all the earth
all the earth
all the earth

There is no one like you lord in all the earth There is no one like
There is no one like you lord
There is no one like you in all the earth There is no one like
There is no one like you lord
There is no one like you in all the earth There is no one like
There is no one like you lord

There is no one like you in all the earthThere is no one like

There is no one like you lord

There is no one like you in all the earthThere is no one like

There is no one like you lord

There is no one like you in all the earthThere is no one like

There is no one like you lord

There is no one like you in all the earth
