

# Look At Me (Mark!s Big Vocal Mix Surgery Edit)

## Geri Halliwell

Good-looking, bad-tasting  
Full-bodied, butt-wasting  
Loose-living, tight-fitting  
What you see ain't what you are getting  
Big make-up, little break-up  
She wants it, he's got it  
Cold-blooded, hot gossip  
Superficial expectationsLook at me  
You can take it all because this face is free  
Maybe next time use your eyes and look at me  
I'm a drama queen if that's your thing baby  
I can even do realityFake money, real plastic  
Stupid cupid, fantastic  
Queer thinking, straight talking  
What you see ain't what you are getting  
Fast loving, slow moving  
No rhythm, but I'm grooving  
Old feeling, new beginning  
Superficial expectationsLook at me  
You can take it all because this face is free  
Maybe next time use your eyes and look at me  
I'm a drama queen if that's your thing baby  
I can even do realitySometimes I don't recognise my own face  
I look inside my eyes and find disgrace  
My little white lies tell a story  
I see it all, it has no glory  
HahahaLook at me  
You can take it all because this face is free  
Maybe next time use your eyes and look at me  
I'm a drama queen if that's your thing baby  
I can even do realityCome and look at me  
This face is free  
I'm your fantasy  
Who do you wannabe?  
Not what you see  
I'm a drama queen if that's your thing  
Come on and look at me  
I'm your fantasy  
This face is free

Come on and look at me  
So who do you wannabe?  
This is free...
