Grow Grow Grow

Derek Martin

I sowed a seed
Underneath the oak tree
I trod it in
With my boots I trampled it down
Grow, grow
Grow, grow
I sowed a rose
Underneath the oak grove
With my boots on the ground
Into the earth I trampled it down
Grow, grow
Teach me how to
Teach me how to
Teach me, mummy
How to grow
How to catch someone's fancy
Underneath the twisted oak grove
