

# When a Child Is Born (with Johnny Mathis)

Susan Boyle

A ray of hope flickers in the sky  
A tiny star lights up way up high  
All across the land, dawns a brand new morn  
This comes to pass when a child is born  
A silent wish sails the seven seas  
The winds of change whisper in the trees  
And the walls of doubt crumble, tossed and torn  
This comes to pass when a child is born  
A rosy hue settles all around  
You've got the feel you're on solid ground  
For a spell or two, no one seems forlorn  
This comes to pass when a child is born  
It's all a dream, an illusion now  
It must come true, sometime soon somehow  
All across the land, dawns a brand new morn  
This comes to pass when a child is born
