

Tupelo County Jail

Old 97's

Come on and write, write, write me a letter
Send that letter by mail
Send that letter in care of
The Tupelo County Jail
Wish me the best of luck, Dear
There's no one here to my bail
Never been a place so lonely
As the Tupelo County Jail
Fill that letter full a kisses
I'm gonna have me a ball
Baby, kisses on paper
Are better than no kisses at all
Come on and write, write, write me a letter
Send that letter by mail
Send that letter in care of
The Tupelo County Jail
(Take it Ken!)
Fill that letter full a kisses
I'm gonna have me a ball
Baby, kisses on paper
Are better than no kisses at all
Come on and write, write, write me a letter
Send that letter by mail
Send that letter in care of
The Tupelo County Jail
The Tupelo County Jail
The Tupelo County Jail
The Tupelo County Jail...
