

Give In (feat. Crystal Nicole)

Lecrae

Iâ€™m giving it all away
No more hiding
No more stallin'
I hear you calling' me
And Iâ€™m coming
See me running
I give in (uh oh oh, uh oh oh)
You win (uh oh oh, uh oh oh)
I give in (uh oh oh, uh oh oh)
You win (uh oh oh, uh oh oh)

I try but I just canâ€™t keep this thing to myself
Look tire low, and I know ain't nobody else
But Iâ€™m focused now and I know itâ€™s all about you
You always see me through that what you do
Tell me
Tell me where would I go, where would I be?
Love is hard to find but you blind and loosing your way
And now ainâ€™t nobody else for me, itâ€™s just you
You got my time, all the time, anytime, my mindâ€™s on you

Iâ€™m giving it all away
No more hiding
No more stallin'
I hear you calling' me
And Iâ€™m coming
See me running
I give in (uh oh oh, uh oh oh)
You win (uh oh oh, uh oh oh)
I give in (uh oh oh, uh oh oh)
You win (uh oh oh, uh oh oh)

They laugh at me and say Iâ€™m going too far
But itâ€™s satisfying my soul to give you my all
They donâ€™t understand what I got itâ€™s so real
They can talk about me, they can kick me out, but canâ€™t take away what you give
People telling me that Iâ€™m probably too far gone
But they donâ€™t understand where I been and they walk the roads that Iâ€™ve walked on
Tell me who Iâ€™m gon call on

Whose solid ground can I fall on
You everything that I never dreamed youâ€™d give to me and its all on you
You know you got me deep off in this thing Iâ€™m all in
I swear ainâ€™t no love like this love that Iâ€™ve been given
I canâ€™t resist itâ€™s just too much your love is endless
And I donâ€™t care what they say no more no way I give in you

Itâ€™s time to cut the cord
Sever the ties from the life before
From here on out Iâ€™m yours
I canâ€™t run no more
Cause youâ€™re pulling me in
Like a tornado wind
And I canâ€™t pretend
I try leaving
But your love so strong
And it wonâ€™t let go
Youâ€™re holding on to me

Iâ€™m giving it all away
No more hiding
No more stallin'
I hear you calling' me
And Iâ€™m coming
See me running
I give in (uh oh oh, uh oh oh)
You win (uh oh oh, uh oh oh)
I give in (uh oh oh, uh oh oh)
You win (uh oh oh, uh oh oh)
