WAbash Cannonball

Roy Acuff

From the great Atlantic ocean to the wide Pacific shore
From the queen of flowing mountain to the south bell by the shore
She's mighty tall and handsome and know quite well by all
She's the combination on the Wabash CannonballShe came down from Birmingham one cold December day
As she rolled in the station you could hear all the people say
There's a girl from Tennessee she's long and she's tall
She came down from Birmingham on the Wabash CannonballOur estern states are dandies so the people always say
From New York to St. Louis and Chicago by the way
From the hills of Minnesota where the rippling waters fall
No changes can be taken on the Wabash CannonballHere's to daddy Claxton may his name forever stand
And always be remembered 'round the courts of Alabama
His earthly race is over and the curtains 'round him fall
We'll carry home to victory on the Wabash Cannonball
