New generation is back.
Yeah, we killinâ€™ this track right now
We started from the bottom.
We just do it now, ah. Just follow

Thereâ€™s no way I said those words
Thereâ€™s no way I said I would leave you

Girl, please believe the me of right now
(There is a crazy person inside of me)

Oh how do I explain this?
Youâ€™ll probably think itâ€™s all an excuse
Girl, Iâ€™m the not same me as yesterday
(There is a crazy person inside)

Donâ€™t leave (leave me)
I love you (no I hate you)
I am both Jekyll and Hyde, donâ€™t run away from me

Iâ€™m not a bad person, I love you
Donâ€™t give me those scared eyes
There is a different person thatâ€™s not me inside of me
Thereâ€™s a different me thatâ€™s not me inside of me

Just canâ€™t control
Just canâ€™t control
Just canâ€™t control
Just canâ€™t control

Thereâ€™s no way I said those harsh words
Thereâ€™s no way I hurt you
Girl please believe me, whoâ€™s in front of your eyes
(There is a crazy person inside of me)

I only know you alone (thatâ€™s all a lie)
You know me (no, you donâ€™t know)
I am both Jekyll and Hyde, donâ€™t run away from me

Iâ€™m not a bad person, I love you
Donâ€™t give me those scared eyes
There is a different person thatâ€™s not me inside of me
Thereâ€™s a different me thatâ€™s not me inside of me

The devil you saw last night was not me
Actually, I donâ€™t really remember myself, I think Iâ€™m crazy
I try to block myself but as I saw myself
jumping around, I knew I was sick
I need a remedy called you, come inside of my body

A different person thatâ€™s not me
has been caught inside of me

Only you know me, you are my last

Iâ€™m scared of myself if you leave me
Thereâ€™s a different me thatâ€™s not me inside of me

Iâ€™m not a bad person, I love you
Donâ€™t give me those scared eyes
There is a different person thatâ€™s not me inside of me
Heâ€™s trying to hurt me

Just canâ€™t control
Just canâ€™t control
Just canâ€™t control
Just canâ€™t control

Just canâ€™t control
Just canâ€™t control
Just canâ€™t control
Just canâ€™t control
